

## Financial Services Litigation

Oppenheimer has a core group of litigators who focus primarily on the unique litigation needs of our Financial Services industry clients, including: banks, leasing companies, insurance companies, trustees and hedge funds.

» We have represented clients in the following types of litigation matters:

- Lender liability
- Class actions
- Guarantor disputes
- Contract disputes

» We also provide a wide variety of creditors' remedies services, including:

- Asset valuations
- Judgments
- Collections
