Annual Stockholders' Meeting

New York, NY

May 13, 2019

**WELCOME to Oppenheimer's 2019
Annual Stockholders' Meeting
May 13, 2019**

This presentation and other written or oral statements made from time to time by representatives of Oppenheimer Holdings Inc. (the “company”) may contain “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements may relate to such matters as anticipated financial performance, future revenues or earnings, business prospects, new products or services, anticipated market performance and similar matters. The Private Securities Litigation Reform Act of 1995 provides a safe harbor for forward-looking statements. Forward-looking statements are neither historical facts nor assurances of future performance. Instead, they are based only on the company’s current beliefs, expectations and assumptions regarding the future of the company’s business, future plans and strategies, projections, anticipated events and trends, the economy and other future conditions. Because forward-looking statements relate to the future, they are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict and many of which are outside of the company’s control. The company cautions that a variety of factors could cause the company’s actual results to differ materially from the anticipated results or other expectations expressed in the company’s forwarding-looking statements. These risks and uncertainties include, but are not limited to, those risk factors discussed in Part I, “Item 1A. Risk Factors” of our Annual Report on Form 10-K for the year ended December 31, 2018 filed with the SEC on February 28, 2019 (the “2018 10-K”). In addition, important factors that could cause actual results to differ materially from those in the forward-looking statements include those factors discussed in Part II, “Item 7. Management’s Discussion & Analysis of Financial Condition and Results of Operations – Factors Affecting ‘Forward-Looking Statements’” of our Quarterly Report on Form 10-Q for the quarter ended March 31, 2019 filed with the SEC on April 26, 2019 (“2019 10-Q1”). Any forward-looking statements herein are qualified in their entirety by reference to all such factors discussed in the 2018 10-K, the 2019 10-Q1 and the company’s other SEC filings. There can be no assurance that the company has correctly or completely identified and assessed all of the factors affecting the company’s business. Therefore, you should not rely on any of these forward-looking statements. Any forward-looking statement made by the company in this presentation is based only on information currently available to the company and speaks only as of the date on which it is made. The company does not undertake any obligation to publicly update or revise any forward-looking statements, whether written or oral, that may be made from time to time, whether as a result of new information, future developments or otherwise.
