

# Have you changed jobs or retired?

If so, you may have the option to receive a lump sum distribution from your employer's retirement plan. Are you ready to make the move?

**Let Oppenheimer help you learn about your options!**

Oppenheimer Financial Advisors can help you tackle the tough questions:

- Should you rollover your 401(k) to an IRA or leave it where it is?
- Should you invest in a Traditional or Roth IRA?
- Will you be subject to RMDs (Required Minimum Distributions)? How will that affect your retirement planning?
- What type of assets can be left to your beneficiaries?
- What is the best way to invest your assets?
- What distribution strategies are available for using your retirement assets?
- Will you outlive your retirement savings?
